- Private patio
- Landscape integration with endemic vegetation of Madeira.

The project also has a Central Support Building, with the following services:

- Welcoming reception with check-in, tourist information and concierge service
- Massage Space.
- Gymnasium.
- Self-service laundry.
- Storage Spaces: Dedicated areas for stock management and maintenance.
- Restaurant and terrace overlooking the pool and gardens.

The Common and Leisure Areas have:

- Outdoor swimming pool, integrated into the landscape, with solarium area.
- Parking lot.

Accessibility:

- The entire complex is wheelchair accessible.

The land is close to a service area, as well as the health center, football field, parish council, tea house and pedagogical farm, you can also count on some cafes, bakery, restaurants, gas station and ATM.

-A little history...

Its name came from a small chapel dedicated to Our Lady of Pleasures. Because beauty has the magical power to awaken the senses, the landscape is an easy conquest here. The parish of Prazeres is, without a doubt, one of the most picturesque on the island.

This small village also offers a nice zoo, herb garden and tea house.

This entire parish is sitting on a huge terrace from where you can enjoy breathtaking views, in perfect harmony with the ocean.

Are you curious?

Come and see this magnificent land and its project...

You can count on the professionalism of our team, at all stages of the process.
